

# How Bees Make Honey

FABLES AND THE REAL WORLD - Level I

## 1. Put the events in order by writing 1-5.

- ..... A new bee takes the nectar and chews it.
- ..... The bees flap their wings to dry the honey.
- ..... The bees put wax on the honey to save it for later.
- ..... A worker bee gets nectar from a flower and goes back to the hive.
- ..... The bee spits into honeycombs.

## 2. Write the answer.

Who takes the honey from the bees so we can eat it? .....

Which body part helps the bee get nectar? .....

## 3. Sort the words. Write them in the box.
